Michigan Homeland Security Consortium - Kevin Lasser appointed President.

Lansing, Mich. - July 3, 2009 - Michigan Homeland Security Consortium (MIHSC), an industry trade association of Homeland Security companies focused on building the emerging homeland security industry in Michigan, announces the appointment of Kevin B. Lasser - CEO of Encryption Security Solutions/Pure Entropy Technologies as its new President.

"The Consortium is making great progress to grow the homeland security industry in our state. Mr. Lasser has demonstrated strong leadership in the growth of his business and I am very pleased he will be volunteering his skills as President of MIHSC," said Stephen Potter, MIHSC Chairman.

"My company has benefited tremendously from our membership in the Consortium - we have increased business. My leadership involvement in the Consortium is helping improve the national security of our country and creating Michigan jobs in a new market segment, said Kevin Lasser.

The 2009 MIHSC Board of Directors includes:

Chairman - Stephen M. Potter, Patriot Services Corporation, Walled Lake.

President - Kevin Lasser, Encryption Security Solutions/Pure Entropy Technologies, Lake Orion.

Vice President - Renae Wallace, RS Wallace Electric, Traverse City - Kingsley.

Treasurer - David Nemmers, Midstate Security Company, Grandville.

Executive Director - Barry Cargill, MIHSC, Lansing.

Andrew Dailey, GeoCritical, Fort Gratiot

Susan Williams, Intrepid Defense and Security Systems, Birmingham

Jason Slocum, Pixel Velocity, Ann Arbor

Duane Hopkins, Innovative Corporate Solutions, Inc, South Lyon.

Levi Rickert, Live Scan Finger Printing Services, Grand Rapids

Melanie deVries, Walled Lake

About Michigan Homeland Security Consortium: The Michigan Homeland Security Consortium (MIHSC) is a non-profit industry organization dedicated to statewide growth of the Homeland Security industry. MIHSC serves a targeted membership of large and small Michigan-based developers and manufacturers of services, products and technologies specific to Homeland Security, as well as those companies and organizations affiliated with the industry. For membership and other information, visit www.mihsc.org.

About Encryption Security Solutions/Pure Entropy Technologies: Founded in May 2006 by three Michigan entrepreneurs the stated goal of the Companies is to "to provide unprecedented encryption security, efficiency, and performance to our customers so to ensure that their critical information is secure". The companies' cutting-edge technology places them in the forefront of currently available encryption systems. For more information about the companies' or its products please visit: www.essquared.com.

MIHSC Roundtable: the Michigan Homeland Security Consortium (MIHSC) established the MIHSC Roundtable in 2007. The purpose of the Roundtable is to bring public sector homeland security experts and first responders together with private sector homeland security entrepreneurs to help grow the HS industry and the Michigan Homeland Security Consortium. Senator Valde Garcia serves as the Roundtable Chairman. In addition to MIHSC members, Roundtable representatives include Michigan Economic Development Corporation, Michigan State Police, Michigan National Guard, Michigan State University and many others.
