Encryption Security Solutions is hosting 2 open houses in order to assist businesses and individuals to prepare for National Preparedness Month (NPM) which is in September. National Preparedness Month highlights the importance of emergency preparedness for both companies and families.

The courses shall focus on securing electronic data that is private/confidential. Kevin Lasser - CEO of Encryption Security Solutions stated the following - "In the past locking down electronic data was costly and very difficult to use, today we offer a simple, easy to use, affordable solution".

Companies with private confidential information include technology companies, software and internet companies, law offices, CPA/Financial firms, medical groups, mortgage companies, engineering concerns, live science entities, churches, home offices, etc. Additionally, individuals looking to lock down information are also encouraged to attend.

The open houses will be offered on September 25th and October 9th from 10am - 4pm at Tech Town's main conference room - Suite 100. Tech Town is located at 440 Burroughs, Detroit, MI. Hosting the open houses is Dion N. Johnson - Senior Business Developer - Encryption Security Solutions. For more information, Mr. Johnson can be contacted at (313) 580-2208 or via email @ Dion.Johnson@sbcglobal.net.
