Date: 7/2/2009

Encryption Security Solutions (ESS) of Orion, MI is pleased to announce they have hired David Everett as Senior Account Executive - Business to Business Sales.

Mr. Everett has over 16 years of business experience much of which is in the financial services sector. His main responsibilities will be to implement the company's line of software encryption solutions into small to mid size businesses. Stated Mr. Everett "I had been seeking an opportunity with a fast growing IT security provider and was delighted to get this opportunity, everywhere I looked pointed to ESS".

Stated Kevin Lasser - CEO - "our installation base is growing rapidly, we brought Dave in to support the need for an easy to use, strong, yet affordable solution, I am confident that Dave will be kept very busy".

Founded in May 2006 the stated goal of the Companies is "to provide unprecedented encryption security, efficiency, and performance to our customers so to ensure that their critical information is secure". The companies' cutting edge technology places them in the forefront of currently available encryption solutions.
